Announcements:

- Board for 24/25 :
- PTSO Scholarship will be opening up this week
 - 24 scholarships between boosters and PTSO

Updates from Mrs. Brooks:

-Preliminary projection of number of students at AK 2024-25: 2900 students

Freshman: 600

Sophomore: 650

Junior: 800

Senior: 850

-Registration Meetings happening this week

-Classes will be offered based on staffing and number of students requested

-Prom Date will be announced moving forward as soon as the date is set

-AK PTSO facebook page: Parents upset about Cady photography, email Mrs. Brooks to give feedback, Cady is already booked for next year's decision made in the November/December time frame. Mrs. Brooks has already spoken to the owner and they have made improvements to the website and offerings.

Questions from parents:

Repaving entry way timeframe? No timeframe of when they will be finished

Lockers are available for any student pay rental fee and bring a lock

How has this year been compared to years previous: every year is unique and harder to staff, pay in this state is too low, political divisiveness of the country, teachers are fearful, Social media, cell phones are a problem, cause more issues overtime-public education is getting hard over time

Current CMS teachers can only apply during transfer period

Graduation: Tickets or Not? Was at Spectrum June 10th 4pm then got moved.

Graduation is now at Bojangles June 13th at 8:00am

Ticketing will be required as of now

Can you give tickets away

Drivers Ed: Jordan Driving School or private. Must get driving eligibility cert from school only good for 30 days, fill out google form to do this.

New School: If they don't offer a club can they participate at a different school? Not to Mrs Brooks' knowledge but will find out.

Teacher/Position shortage is this affecting AK? CMS has lost \$60mil from a funding cliff from Covid and they are trying to address what they can as this is not just money to pay for things, it's people and positions.
